

# Northern Nishnawbe Education Council

## SECONDARY STUDENT SERVICES PROGRAM

**We are looking for  
families to become  
hosts to students.**

The Northern Nishnawbe Education Council is currently recruiting boarding homes for the up-coming school year.

Are you and your family interested in providing a safe and caring environment for a First Nations youth from a remote First Nations community? The Secondary Student Services Program provides support to the host family and student throughout the school year.

**Boarding parents receive an allowance towards the boarding costs every two weeks.**
